Re: Mackinaw City Casino Q&A Escanaba

On 10/29/2012 I attended the LTBB Tribal Council Sponsored Mackinaw City Casino Q&A held at the Escanaba City Hall 401 Ludington Street Escanaba, MI scheduled from 1 PM to 4 PM. I arrived early and attended the entire presentation. I provided input as I saw fit. This was another great opportunity for me to talk individually with concerned Citizens about the proposed project and other concerns that they had. Again there was a very limited citizen participation at this location. Overall my impression from the input was that this was a positive business endeavor for the Tribe to pursue.

I appreciate the opportunity given me to be part of this face to face communication with Citizens.
